**Tournament Director: (Paul Mitchell)**

1. I am excited to serve as the Tournament Director. I look forward to improving EAAD. I am disappointed that we have only five teams. EAAD need your help to get more teams and there will be more competition.
2. Bracket for this tournament were done with the five coaches and myself. We all agreed on the seeding and we all signed the bracket. Later someone objected to the seeding but luckily we had our signatures on the seeding poster and it cannot be changed.
3. I regret that we were unable to allow the two teams that wanted to play in this tournament but because they did not send in their registration in a timely manner, we need to follow the guidelines. Please do not wait until the last minute to register. We would love to have more teams.

donations. It won't be easy due to the economy but I will try for a miracle.

9. In conclusion, we need your support. Please participate in the invitational tournaments. It will help EAAD raise funds so we can provide you with better prizes, less dues, etc.

**Vice President Report: (Christina Costello)**

1. I want to thank Chuck Wallace for all his help with last minute copying, etc.
2. I am not happy with all the rumors that are going around. Thanks to those that contacted the region officers for clarifications. Please do not let any misinformation or rumors influence you. My role as Vice President is to follow the bylaws and constitution. As much as I want to bend some rules for you, I don't want to be bitten. I am saddened that people can be negative about EAAD while we are working hard to try to rebuild EAAD since our funds were embezzled several years ago. Please bring your concerns, suggestions, ideas, etc. to the meetings.
3. I am also very disappointed that we had to cancel the invitational tournament. We would have given you more financial help if we had the funds. Please send in your registrations early. Help support us so we can help support you.
4. In October I attended the USADB roundtable retreat, representing EAAD in CSD-Fremont. I have the minutes if you are interested in looking at them.
  - a. At the retreat we spent eight hours out of three days debating about the \$20 player fee and we finally agreed to try the \$100 flat team fee on a trial basis. The softball team did that and it worked for them. We believe it saves the teams more money this way. If it is not successful for us then we will do something different.
  - b. For the first time, USADB had to cancel the East/West High School All Star game due to insufficient funds. As an adult organization, we need to take care of our youths of the future. Sponsorships were not that great this year. We used to be able to count on them for funding, not anymore.
  - c. Restructure - there were 20 motions from regions to improve USADB. Please look them over and let me know if you want to add anything.
5. It does not matter which organization you choose, just follow and respect their guidelines. You can leave EAAD and join other organization however, please keep in mind that you cannot take your history, stats, etc. with you. USADB have been very supportive of regions but NDBO is not consistent with keeping in touch and answering our questions and they have known to violate their bylaws and constitution.
6. Thank you for your patience and effort in communicating with me while I have been really busy with my internship in California. I will graduate with a Masters in May and hopefully get a job in the east coast.

- New Business Report #4 states that Carl Colon made the motion whereas it was John Thomas.

### **Treasurer Report:**

As per Christina, we have \$8,407.77 as of February 29, 2012

### **President Report: (Stewart Gerlis)**

1. Welcome to our 67<sup>th</sup> Annual Men and 21<sup>st</sup> Annual Women EAAD Basketball Tournament. Allow me to applaud Chairmen Carl Colon and Chuck Wallace for their hard work to make this event a success.
2. Unfortunately, Michael Shiffer, EAAD Secretary/Treasurer broke his hip while playing basketball and is unable to put together the financial report for us tonight. After he recovers, he will send you all the financial report. We have the bank statement here if you wish to look over it.
3. Kim Arrigo has agreed to help out tonight as temporary secretary.
4. I am proud to share that I kept my promise to you and accomplished two goals. EAAD now has its own liability insurance which cost EAAD \$589.95 for six months (Nov.19, 2011 – March 12, 2012) for a coverage of two million dollars and a website ([www.eaad.us](http://www.eaad.us)). The website is not completed but when it is done, you will see many photos, archives, hall of fame, basketball brackets, all star players, most valuable players, etc. The website designer is Daniela Farkas. EAAD will pay her for her services. **This will be discussed in the new business.**
5. I had to cancel EAAD basketball invitational tournament at Fanwood on Saturday, February 4, 2012 due to insufficient teams. It hurt EAAD financially. Without your support and participation, EAAD cannot provide you with better prizes, etc. Keep in mind that EAAD has expenses such as liability insurance, website and national basketball dues, officers, etc. and we need your help.
6. I learned that the National Deaf Basketball Organization (NDBO) violated its constitution and by-laws by affiliating other region while EAAD is still affiliated with NDBO. Christina, EAAD Vice President made several attempts to reach them via email but got no response. I do not think we should continue to affiliate with NDBO because they betrayed us. I will leave this to the delegates to decide. **This will be discussed in the new business.**
7. There is a new organization called the Eastern Basketball Association or Athletic for the Deaf (EBAD) I just want you all to be aware that EAAD has everything to offer you and your teams that the other organization cannot. EAAD has Section 501 (c)(3) under the Internal Revenue code. EAAD has liability insurance to protect you all. EAAD has tax-exempt status under two states, new website, rich history since 1946 including archives and hall of fame. What can EBAD offer you?
8. My next vision is to make EAAD financially stable. I expect it will take about four years. I plan to write letters to foundations or sponsors for

We had a moment of silence for Mr. Al Lepre who passed away December 2011.

The officers received a letter from the delegates who expressed concern about Mr. Zeke. They want Mr. Zeke to leave the meeting immediately. Since there are 2/3 signatures on the letter (7 out of 10) The request was granted and Mr. Zeke left the building.

Minutes from March 3, 2011 meeting was approved as corrected.

Corrections were:

- Add Tim Lavelle's name on roll call as Parliamentarian
- New Business Report #4 states that we do not wish to unaffiliate from NDBO but we have not unaffiliated from NDBO yet. (this is an incorrect information)
